SCHOOL ON WHEELS MASSACHUSETTS

Dear Friends of SOWMA,

Thanks to your support, we've launched a strong start to the school year, with more than 9,000 backpacks distributed, a reinvigorated tutoring rollout under full swing, and more than 95 students working alongside dedicated mentors as they navigate high school, college, vocational training or career.

There are so many ways to be part of our mission. We hope one or more of the opportunities below inspires you to join us.

Our full fall newsletter is just around the corner, packed with stories of growth, gratitude, and the incredible impact you make possible. We truly couldn't do this without you, and we're so glad you're part of our village!

I hope to see you at one of our upcoming events - or as a volunteer, donor or partner for good.

With Heartfelt Gratitude,

Athena

Presenting the 2025 Champion for our Kids

Bill and Annmarie Harlor

After volunteering as mentors, the Harlors saw firsthand the transformative power of how guidance and encouragement can change a young person's life. Inspired, they asked family and friends to join them in supporting scholarships for students experiencing homelessness. In it's fourth year, the scholarship has awarded \$130,000 to 24 students.

School on Wheels stepped in during my time of crisis and helped stabilize what felt like an unsteady world. The team treated me with care, patience and respect. I wasn't just a student struggling with homelessness, I was someon they believe in.

Someone they saw had potential. And that made all the difference.
